

The image shows a vertical sequence of five decorative elements. Each element consists of a stylized, swirling cloud or smoke-like shape in a different color: blue, green, yellow, blue, and yellow from top to bottom. These shapes are positioned at the top left of their respective white rectangular frames, which have a subtle drop shadow. Below these five frames is a thick, solid blue horizontal bar. At the very bottom right corner of the entire image, there are three black chevron symbols ('>>>').
